## Grant Activity

Grant Activity - Education/Information		
Description	This fund will be used for staff time to work on educating landowners about the MAWQCP. This will be outreach to landowners via local landowner meetings, email contacts, newsletters, mailed letters, phone contacts and landowner walk-ins. Only staff time for this effort will be billed. The main goal will be to get 10 MAWQCP landowner applications.	
Category	EDUCATION/INFORMATION	
Start Date	17-Nov-15	End Date 31-May-16
Has Rates and Hours?	Yes	
Actual Results	<p>SWCD Staff held 3 landowner meetings around the County which were attended by approximately 60 landowners. We contacted local farm suppliers and disbursed email newsletters to their client listings. We contacted landowners in targeted areas in the County. We informed landowners about MAWQCP that came to our office about other conservation programs.</p> <p>As these landowners called or stopped into our office for more information we answered their questions, explained the program and the process to become certified. Many landowners inquired about the program. Approximately 30 had a serious sit down or a second meeting to discuss MAWQCP. From that 8 proceeded with the certification process and turned in applications. A few others that didn't complete applications by May 31st are still considering the program.</p> <p>Overall the SWCD billed the program for staff hours worked. During the period of 1/1/16 until 5/31/16 the SWCD used up all the funding. Staff hour breakdowns are as follows:</p> <p>John Billings 57 hrs @ \$39.36 = \$2,243.52            Jerad Bach 78.5 hrs @ \$47.99 = \$3,767.22 (\$3,756.48 was billed to the grant and \$10.74 was in-kind)</p> <p>Total spent on staff time = \$6,000.00</p>
